

U.I. Lapp GmbH	<b>PRODUCT INFORMATION</b>	
	<b>EPIC® MC Dummy Module</b>	05.11.2015

The mixed assembly guarantees high flexibility. For applications in mechanical and plant engineering, for printing machines and slide-in technology.

The mix of different functions in one plug guarantees high flexibility

Assembly of individual connectors, suitable for different applications

Automation & fältinstallation

Industrial machinery and plant engineering

Wind Energy

### Info

Dummy module as a placeholder for future expansion

### Application range

Plant engineering

Printing machines

Control engineering

### Remark

Photographs are not to scale and do not represent detailed images of the respective products.

### Technical Data

Temperature range:

-40°C to +100°C, short-term up to +125°C

Product Management	Document: LAPP_PRO109268EN.pdf	1 / 3
