

U.I. Lapp GmbH	PRODUCT INFORMATION	
	EPIC® MC Dummy Module	05.11.2015

The mixed assembly guarantees high flexibility. For applications in mechanical and plant engineering, for printing machines and slide-in technology.

The mix of different functions in one plug guarantees high flexibility

Assembly of individual connectors, suitable for different applications

Automation & fältinstallation

Industrial machinery and plant engineering

Wind Energy

Info

Dummy module as a placeholder for future expansion

Application range

Plant engineering

Printing machines

Control engineering

Remark

Photographs are not to scale and do not represent detailed images of the respective products.

Technical Data

Temperature range:

-40°C to +100°C, short-term up to +125°C

Product Management	Document: LAPP_PRO109268EN.pdf	1 / 3
