

DEVICE BOXES

SINGLE GANG - 2-1/2" DEEP

APPLICATION

- Device boxes are used to house wiring devices such as switches or outlets.

PRODUCT FEATURES

- Gangable device boxes offer the option of constructing a box to hold two or more devices.
- Plaster ears allow box to be used in "rework" applications.
- Rugged metallic construction.

COMPLIANCE

- All Hubbell boxes are CSA certified, unless otherwise stated, and meet the requirements of the Canadian Electrical Code. File numbers are available upon request.
