Terms & Conditions

All quotation and subsequent sales are subject to Belden Americas General Terms Conditions of Sale. Such terms & conditions of sale are hereby incorporated by this reference in their entirety.

- * Belden reserves the right to void any quotation in any file format that has been altered in any way by any party other than Belden.
- * Belden's Official Quote is the associated Adobe Acrobat file. The Excel file is for the customer's convenience and reference only.
- * Products quoted herein are based on Belden's interpretation of the Buyer's product descriptions and are subject to verification by Buyer.
- * Quoted prices are valid for the stated project or end user and stated time period only.
- * Quoted prices are valid only for Belden standard colors, unless explicitly stated herein.
- * Sample orders will be manufactured with standard Belden colors only.
- * The indicated Lead Time in calendar days is approximate and subject to change at time of order placement based on plant loading or other considerations.
- * Quoted lead time does not include special color matches. Additional 4-5 weeks lead time may be required.
- * If order varies from quote details, a new quote may be required. The quote may be renewed upon expiration; however, Belden reserves the right to refuse or adjust pricing at that time.
- * Material must be purchased as specified in the quote and/or Belden standard put-up quantity.
- * Belden reserves the right to ship and/or bill 10% more or less than the exact quantity ordered by the Buyer on all Special Products (as defined in the Belden Terms and Conditions of Sale).
- * Fiber products that are not standard stock items are subject to a -0/+5% shipping tolerance.
- * Cut-to-length products or any products modified to customer's specifications are considered "Special Products". Special Products, short-length products, downgraded products, discontinued products, cut-to-length products, special packaging products may not be returned or exchanged. In addition, orders for such products may not be cancelled by Buyer after acceptance by Belden, under any circumstance.
- * Unless stated otherwise, freight charges will be the responsibility of the customer on all cable management items, enclosures and cabinets, regardless of minimum order value.
- * Environmental Notice: Unless requested by the Buyer or stated by Belden, this product(s) may contain substances restricted or banned by International Environmental Regulations (i.e. CA Prop 65, RoHS, ELV, etc). All products may contain trace amounts, not intentionally added, of these substances.
- * For copper adjusted items, prices are indexed to Comex Copper prices. Prices for these items will be reviewed at time of order and are subject to change at time of shipment.
- * Minimum order quantity may be applicable for all fiber cable.
- * Items on the agreement may be eligible for Ship & Debit (S&D) and those system prices are not changed at time of order. Ship & Debit (S&D) pricing does not apply to special designs and eligible items will be indicated when the S&D is marked as "Y".

* This quote is not a binding commitment on Belden's behalf. Belden reserves the right to accept or reject purchase orders based on this quote, in whole or in part, at its sole discretion based on changing manufacturing capabilities, raw materials availability or other reasons.
