Technical Information

Material Specifications

Face Material: Thermoplastic
Body Material: Thermoplastic
Color: Black

Standards and Certifications

UL Listed: File E13399
CSA Certified: LR-2781
NOM: 057

Mechanical Specifications

Panel Thickness: .031 - .080
Panel Opening: .95 x .95
Clip Material: Steel Corrosion-Resistant Finish

UPC Code: 07847712085

Country of Origin: Mexico - **Eligible for ARRA funded projects > \$7,443,000*

NEMA: 5-15R

Product Features

Grounding: Grounding
Amperage: 15 Amp
Voltage: 125 Volt
NEMA: 5-15R
Warranty: 2 Year Limited
Pole: 2
Wire: 3
Termination: Quick-Connect Tab and Ground Lead
Face Material: Thermoplastic
Body Material: Thermoplastic
Color: Black
Clip Material: Steel Corrosion-Resistant Finish
Standards and Certifications: UL/CSA
Panel Thickness: .031 - .080
Panel Opening: .95 x .95

**Buy American Compliant Logo -- The American Recovery And Reinvestment Act of 2009 ("ARRA") provides federal grants and loans for projects throughout the country. Section 1605 of the Act, named the "Buy American" provision, requires that certain materials and manufactured products used in projects funded by the Act be manufactured in the United States. The appearance of the Recovery Act Logo in relation to a Leviton product is only intended to reflect that such product may be used in an ARRA funded project. It does not mean that such product or Leviton is sponsored or endorsed by, or that Leviton receives funds from, the federal government or the Recovery Accountability and Transparency Board. Nothing in Leviton's use of the logo is intended to suggest anything regarding the requirements for funding under ARRA.*
