Detailed Specifications & Technical Data

5503FE Multi-Conductor - Commercial Applications

For more Information please call

1-800-Belden1

General Description:

Security & Alarm Cable, Riser-CMR, 5-22 AWG stranded bare copper conductors with polyolefin insulation, Beldfoil® shield and PVC jacket with ripcord

Overall Cable Overall Cabling Color Code Chart: Color Black Red White Green Brown	Coverage (%)

Overall Cabling Color Code Chart: Color Black Red White Green Brown	
Overall Nominal Diameter: 0	0.157 in.
lechanical Characteristics (Overall)	
Operating Temperature Range: -	20°C To +75°C
UL Temperature Rating: 7	5°C
Bulk Cable Weight: 2	20 lbs/1000 ft.
Max. Recommended Pulling Tension: 5	i1 lbs.
Min. Bend Radius/Minor Axis: 1	.600 in.
pplicable Specifications and Agency Compliance (Ove	rall)
Applicable Standards & Environmental Programs	
NEC/(UL) Specification:	MR
NEC Articles: 8	00
CEC/C(UL) Specification:	
EU Directive 2011/65/EU (ROHS II):	CMG
EU CE Mark:	/MG /es

All Rights Reserved. Although Belden makes every reasonable effort to ensure their accuracy at the time of this publication, information and specifications described herein are subject to error or omission and to change without notice, and the listing of such information and specifications does not ensure product availability. Belden provides the information and specifications herein on an "AS IS" basis, with no representations or warranties, whether express, statutory or implied. In no event will Belden be liable for any damages (including consequential, indirect, incidental, special, punitive, or exemplary damages) whatsoever, even if Belden has been advised of the possibility of such damages, whether in an action under contract, negligence or any other theory, arising out of or in connection with the use, or inability to use, the information or specifications described herein. All sales of Belden products are subject to Belden's standard terms and conditions of sale. Belden believes this product to be in compliance with EU ROHS (Directive 2002/95/EC, 27-Jan-2003). Material manufactured prior to the compliance date may be in stock at Belden facilities and in our Distributor's inventory. The information provided in this Product Disclosure, and the identification of materials listed as reportable or restricted within the Product Disclosure, is designed only as a general guide for the safe handling, storage, and any other operation of the product users are responsible for determining the applicability of legislation and regulations based on their individual usage of the product. Belden belares this product to be in compliance with EU LVD (Low Voltage Directive 2014/35/EU).
