## Heavy-duty Tactical Cat5e Cable

Heavy-duty tactical Category 5e cable for portable or remote patching of Ethernet networks or digital audio/video formats that utilize CAT5e type interconnects. The CT504HDX features the same double jacket construction as the original CT504HD for exceptional durability, but with solid conductors for lower attenuation that allows for the full recommended TIA distances for Cat5e network cable. The inner jacket maintains the proper physical spacing between pairs to achieve the ISO/IEC or TIA Cat5e specifications, while the durable TPE outer jacket protects the cable from physical damage or abuse. The CT504HDX is intended for use with Neutrik EtherCon® connectors and is also available from Gepco as preterminated cable assemblies.

### FEATURES & BENEFITS

- Durable TPE Outer Jacket
- Flexible
- Unique Inner Belt Maintains Electrical Characteristics in Portable Applications
- Meets or Exceeds ISO/IEC & TIA Standards for Cat5e Cable
- Stranded or Solid 24 Gage Conductors
- 100MHz Bandwidth
- Terminates with Neutrik EtherCon® Connectors

### APPLICATIONS

- Ethernet Network Patching
- For Portable Use or Remote Environments

### Specifications

Part #	# of Pairs	Conductors	Insulation	Jacket
CT504HD	4	24 AWG Stranded TC	PE	TPE
		<i>Heavy-duty Tactical Cat5e Cable: Extra-flexible</i>		
CT504HDX	4	24 AWG Solid BC	PE	TPE
		<i>Heavy-duty Tactical Cat5e Cable: Low-loss</i>

### NETWORK & CONTROL CABLE

#### Four-pair UTP Cable

Cat 5e: Enhanced

#### Cat 5e: Heavy-duty

Cat 5e: 4-channel Heavy-duty

Cat 6

Ultra-low Skew

Ultra-low Skew: Heavy-duty

#### Four-pair Multimedia Cable

Cat 5e for Use with Crestron® Systems

Cat 6A for Use with Crestron® Systems

#### General Purpose Cable

Low-capacitance Multi-pair

Two-pair Shielded

Keypad & Volume

#### Specialized Control Cable

DMX512 Lighting

AMX AXLink™

Touch Panel Control

Touch Panel Hybrid

#### Optical Fiber

Multi-mode Fiber

Single-mode Fiber

### ANALOG AUDIO CABLE

### DIGITAL AUDIO CABLE

### RUNONE™ POWERED CABLE

### VIDEO CABLE

### CAMERA CABLE
