

SKINDICHT® SH Cable Clamp

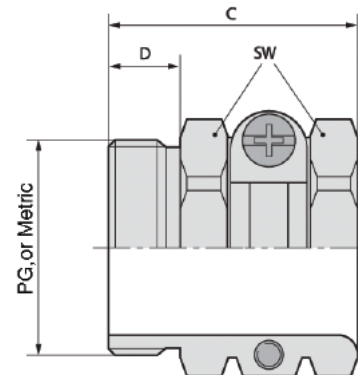

Compact Strain Relief Cable Gland with Single Saddle Clamp with PG Threads

The SKINDICHT® SH cable clamp is an extremely durable, compact strain relief cable gland constructed of corrosion resistant nickel-plated brass. Strain relief is achieved by use of a specially formed nickel-plated brass bracket that provides a secure locking system.

Application Advantage:

- Durable, compact and corrosion resistant cable clamp
- Excellent in harsh environment applications including exposure to seawater and chemicals
- Cost effective strain relief solution

Technical Data:

Materials: Body:	Nickel-Plated Brass	Temperature Range:	-20° C to +80° C
Seal:	IP 20	Locknuts:	Add SM Locknuts, see Page 522
