

SQUARE COVERS

4" COVERS

APPLICATION

- Covers are used to close an outlet box.
- Raised device covers are used for mounting switches or receptacles.

PRODUCT FEATURES

- Self-tapping screws virtually eliminate stripping.
- Rugged metallic construction.
- 52 series covers are designed for use with 52 series boxes.

COMPLIANCE

- All Hubbell covers are CSA certified, unless otherwise stated, and meet the requirements of the Canadian Electrical Code. File numbers are available upon request.
