Article Number: 596-00011

Description: Thermal Transfer Labels, Self-Laminating, 1.0" x 1.5" x 7.37", 4 Across, VL, White, 1000/roll

|                                     |                       |   |         |
|-------------------------------------|-----------------------|---|---------|
| Base Data                           | Local Order Number    | TAG38T4-100B  |         |
|                                     | Type                  | TAG38T4   |         |
|                                     | Color                 | White (WH)  |         |
|                                     | Features and benefits | <ul style="list-style-type: none"> <li>• HellermannTyton Self-Laminating Labels come on rolls on a standard 3" core for easy loading into a printer or caddy.</li> <li>• Labels are conformable so that they can bend around small gauge wires and tight bends without coming loose over time.</li> <li>• Labels are UL recognized for indoor and outdoor use to expand application options.</li> <li>• HellermannTyton thermal transfer labels work in any thermal transfer printer so that the use always has options to get labels printed without being locked into a single vendor.</li> </ul> |         |
|                                     | Quantity Per          | reel  |         |
|                                     | Product Description   | HellermannTyton thermal transfer self-laminating labels are a conformable vinyl film with a white printable surface followed by a clear tail that laminates the printed text when applied to a wire or cable. The labels are UL recognized for indoor and outdoor use with an aggressive acrylic adhesive that allows the label to bond to large and small diameter wires.  |         |
