

SQUARE BOXES

1-1/2 AND 2-1/8" DEEP

APPLICATION

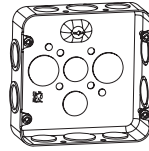

- Boxes are installed in ceiling or wall junctions or stove and dryer receptacles.
- Square boxes are used where multiple conductor runs are split into two or more directions to bring power to a number of electrical devices.

PRODUCT FEATURES

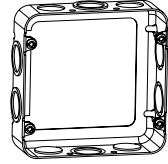

- Self-tapping screws virtually eliminate stripping.
- Rugged metallic construction.

COMPLIANCE

- All Hubbell boxes are CSA certified, unless otherwise stated, and meet the requirements of the Canadian Electrical Code. File numbers are available upon request.
