

BK4VXM-LCP-LCP | P/C HD LCP-LCP BLACK 4'

Body Features

Color	Black
Conductor Plating	Gold

Configuration Features

Number of Connectorized Ends	2
------------------------------	---

Dimensions

Cable Assembly Length	1.22 m 4 ft
-----------------------	---------------

Product Availability

Region	North America
Applicable Country	Not Specified

Product Type Features

Product Type	Cable Assembly
Assembly Type	LCP High Performance
Connector Type (End A)	LCP Plug
Connector Type (End B)	LCP Plug
Cable Assembly Type	LCP to LCP
Coaxial Cable Type	Mini RG59
Product Category	Broadcast Video
Product Designation	Patch Cord
Product Line	Broadcast
RF Connector Type	Video Jacks
Shielded	Yes
Shrink Tubing	Without

Signal Characteristics

Frequency	60 Hz
-----------	-------

Usage Conditions

Operating Temperature Range	-40 – 65 °C -40 – 149 °F
-----------------------------	----------------------------

Regulatory Compliance/Certifications

Agency
RoHS 2011/65/EU
