

BK3V-STM | P/C HD ST MID-MID BLACK 3'

## Body Features

Color	Black
Conductor Plating	Gold

## Configuration Features

Number of Connectorized Ends	2
------------------------------	---

## Contact Features

Center Contact Plating	Gold
------------------------	------

## Dimensions

Cable Assembly Length	0.93 m   3.051 ft
-----------------------	-------------------

## Electrical Characteristics

Connector Impedance	75 ohm
Impedance	75 ohm
Voltage	600 V

## Operation/Application

For Use With	All WECO Midsize 2x32 Panels
--------------	------------------------------

## Product Availability

Region	North America
Applicable Country	Not Specified

## Product Type Features

Product Type	Cable Assembly
Assembly Type	WECO Midsize Plug to Midsize Plug
Connector Type (End A)	Midsize
Connector Type (End B)	Midsize
Cable Assembly Type	Midsize to Midsize
Cable Type	Coaxial
Coaxial Cable Type	RG 59
Product Category	Broadcast Video
Product Designation	Patch Cord
Product Line	Broadcast
RF Connector Type	Video Jacks

BK3V-STM | P/C HD ST MID-MID BLACK 3'

Shielded Yes

## Usage Conditions

Operating Temperature Range -40 – 65 °C

## Regulatory Compliance/Certifications

### Agency

RoHS 2011/65/EU

### Classification

Compliant
