Bradyprinter™ PR Plus Thermal Transfer Printer

Heavy-duty meets high tech.

The Bradyprinter PR Plus is a heavy duty industrial printer, designed to last in industrial environments with a metal cover to protect the printer and your materials. This printer is suited to print heat-shrinkable wire markers, thick tags and other difficult to print materials where the material has a long life expectancy.

High Performance

- 300 dpi or ultra-sharp 600 dpi printing
- Adjustable post and head locking mechanism maintains correct printhead pressure ensuring the best print consistency
- 4" wide and 6.4" wide print width models
- Ultra-durable metal construction for rugged and dependable long life performance

High Speed

- Designed for up to 7000 labels per day at 24hrs / 7 days per week operation
- Fast print speed – up to 9.8 inches per second

Widest Range of Standard and Specialty Materials

- Prints on an extensive range of standard materials as well as specialty materials including Nomex® cable tags, PermaSleeve® Wire Markers and Brady B-330 Polyolefin Heat-Shrink Wrap labels.
- Best printer for Brady Raised Panel engraved-plate substitute labels.
- Prints on small labels down to 0.16" label size with tight registration

The heavy-duty printer that's always ready to perform.
