## TLS 2200® Asset Tracking Materials

Brady's line of Asset Tracking Materials are designed to help businesses identify assets and property from tools and warehouse equipment to office furniture and computers.

Durable thermal transfer printable materials ensure that labels will stay in place and printed information and barcodes will remain legible and scannable even though subjected to harsh environments.

### B-428 Polyester Material

**Color: Silver Metallic Finish: Matte**

Metallized polyester with matte finish withstands solvents and variable temps. Excellent for serial and rating plate applications with name-plate quality and a metal-looking finish.
