

CH Series

chassis

features:

- Aesthetically-balanced, screwless flush-mounted faceplate
- Brushed and anodized finish on front faceplate
- Black powder coat finish on rear faceplate

CH2

specifications:

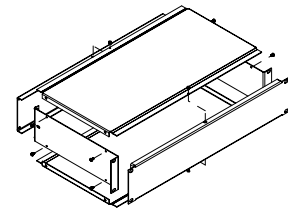

EIA/TIA 19" compliant rackmount chassis shall be Middle Atlantic Products model # CH-x (x = # of rackspaces, refer to chart). CH shall be constructed of the following materials: front and rear face shall be 1/8" thick aluminum for easy machining; top, bottom and sides shall be 16-gauge steel. Front face shall be black brushed and anodized. Top, bottom, sides and rear face shall be finished in a black powder coat. CH shall be GREENGUARD Gold Certified. CH shall be RoHS EU Directive 2002/95/EC compliant. CH shall be manufactured by an ISO 9001 and ISO 14001 registered company. CH shall be warranted to be free from defects in material or workmanship under normal use and conditions for the lifetime of the product.
