Braided Sleeving

Hook & Loop Flame Retardant Expandable Braided Sleeving

Hook and loop edging keeps this flame retardant sleeving securely wrapped around cables, but allows for easy access when maintenance is necessary.

Application

Ideal for high-technology applications, especially operating environments where harsh fluids are present.

Benefits

- Conforms to irregular shapes and contours.
- Meets military specifications (Mil-202 approved).
- Cuts easily with a bench-mount hot knife.
- Resists chemicals and cleaning solvents.

Material Data		
	Material	Treated PET (Polyester)
Flammability		UL VW-1
Operating Temperature		-94°F to 257°F
		-70°C to 125°C
Melt Point		
Abrasion Protection		Medium
Recommended Cutting		Hot Knife
		halogenfree
