

Company Overview

{About Us}

➔ FOUNDED IN 1972, NORTHWIRE-NWI LAB360 is a privately held, woman-owned small business. **We are your premier partner for the design and manufacture of custom technical wire and cable, retractiles, assemblies, connectors, harnesses and contract manufacturing for diverse applications in life sciences, energy, government, industrial and more.** NWI Lab360 leverages professional certifications in Six Sigma®, Lean, Project Management and the American Society for Quality to optimize design, manufacturing and quality to achieve the highest quality and shortest lead times for any volume.

Northwire is ISO 13485:2003 and ISO 9001:2008 certified and is engaged in professional company-wide certifications. Our quality control laboratory is qualified by CSA International to ISO 17025. This laboratory subjects our products to tests that surpass real-world conditions, including the extremes of bending, flexing, flame, impact, crush, oil and temperature resistance and more. ITAR registered, Northwire's CAGE Code is 7V821. Northwire also maintains various UL, CSA, cUL, CE, NFPA, IEEE, SAE, MSHA, ABS and many more approvals and works closely with strategic supply chain partners to offer FDA and USP approved and RoHS2 and REACH compliant and food grade materials.
