

Research

"Our research assures your idea has the appropriate alignment of technology, design and process."

- 1) Research Technology
- 2) Technology Development

> Project Review and Customer Approval

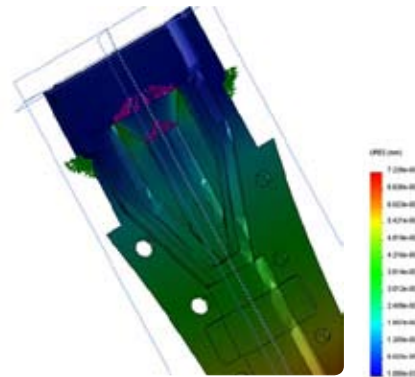

TOOLS

- "Jazz of Innovation"
Creative Chaos & Improvisation
within a Guiding Structure

New Product Development

"We leverage the right technology to create the optimal design."

- 1) Define
- 2) Concept
- 3) Design

> Project Review and
Customer Approval

TOOLS

- Design of Experiments (DOE)
- Hypothesis Testing
- Design Failure Mode Effects Analysis (DFMEA)
- Design for Manufacturing and Assembly (DFMA)
- Design for Six Sigma® (DFSS)
