

# Media Holders and Trim Strips

## Front-Loading Media Holders

Store CDs, DVDs, and other recorded media in our rackmount media holders. Partitioned to prevent the contents from tipping, each model features a 16-gauge flanged aluminum face and has a black brushed and anodized or a textured black powder coat finish. All stored media protrudes 3/8" to allow quick retrieval.

CD	TCD	40 compact discs, SA-CD	7" (4 space)	5-3/4"
CD-1	–	6 CDs	1-3/4" (1 space)	5-1/2"

## Trim Strips

As a final aesthetic complement to any installation, add our finishing trim strips. A quick, clean and effective method of covering rack screws once the job is complete. Each channel-shaped trim strip measures 45 spaces (78-3/4" long), and features internal grooves that fit into the supplied snap washers. Offered in black brushed and anodized or black powder coat finish, trim strips are cut easily to size with a hacksaw. Sold in individual strips.
