During a recent internal audit, we found we did not have proper documentation regarding the manufacturing of certain parts. Before any further business can be done regarding the part listed below, we will need approval of the dimensions & material we have on record for this part (s). Please have the appropriate person complete the authorization &/or corrections and fax back to the fax number listed above as soon as possible. This approval will be held in our files and will represent the blueprint for the life of the part or until a revision to the part has been made & approved. Any current activity, including purchase orders will be held until approval is received. If there are any questions or concerns please feel free to contact our customer service department.

Thank you in advance
