CERTIFICATION OF COMPLIANCE (RoHS Compliant)

Qualtek Electronics hereby certifies that the accompanying materials are supplied in accordance with instructions and/or drawings furnished by your company as listed below:

1. **INDUSTRIAL ELECTRIC WIRE & CABLE** reserves the right to inspect any or all materials furnished on this P.O. at vendor or subvendor.
2. **GENERAL COMPLIANCE:** By acceptance of this purchase order the seller agrees that materials/parts shall be controlled and tested in accordance with and will meet specified P.O. requirements and specifications and the applicable records are on file and subject to be furnished upon request.
3. **WORKMANSHIP:** All items furnished on this P.O. shall be fabricated and finished in a thorough, high quality, workmanship-like manner consistent with accepted manufacturing standards and practices.
4. **CONFIGURATION CONTROL:** The supplier agrees not to make any changes to this item at any time without prior notification of that change.
5. The supplier warrants that the item being supplied is identical to the ones as advertised in its catalog, brochure, data sheet, etc.
