

Relax...

We've got you covered

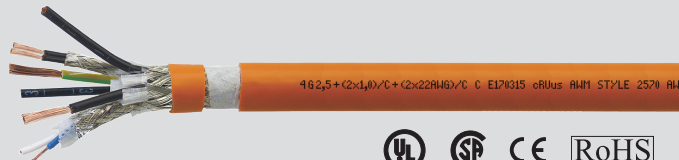

HELUKABEL® is your **one-stop cable shop**. Whether you need stock or custom cables, accessories or tools, testing services, or just technical advice, we offer it all under one roof.

HELUKABEL's product line includes 33,000+ line items for virtually every industrial application. Our cables comply with several international approvals, including UL, CSA, HAR, GOST-R and CCC, enabling them to be used all over the world.

So relax, we've got your cable needs covered.

NEW!

TOPSERV® Hybrid: Single-cable solution for servo motors. Combines the power and feedback cables into a single cable. Flexible (PVC) or high-flex (PUR), oil resistant, flame retardant, and halogen free.
