Specify a WRP or WRS for vertically mounting equipment on a wall surface in a protective enclosure.

Structural Features

- Unique design with 23" useable racking depth allows mounting of deeper equipment vertically in a parallel-to-the-wall orientation for space efficiency and aesthetics
- Standard adjustable heavy-gauge, 10-32 threaded rackrail
- Solid hinged body swings either left or right
- Angled, hinged plexiglass (WRP Series) or solid steel (WRS Series) top cover allows convenient equipment access
- Top cover keyed separately from body keylock, providing user access to equipment controls while limiting access to rear equipment connections
- Finished in a durable putty powder coat (WRP Series) or black textured powder coat (WRS Series)

Thermal Management

- Vented front and two bottom located fan mounting positions facilitate thermal management
- Accepts two optional 4-1/2" fans

Cable Management

- Rackrail adjusts to provide a space from 1" to 4" between top cover and equipment faces, allowing abundant room for D-Ring cable managers

Regulatory / Certifications

- Grounding/bonding stud facilitates the proper grounding and bonding of electronic equipment, as per NEBS and NEC standards
- UL Listed in the US and Canada
- GREENGUARD Indoor Air Quality Certified for Children and Schools (the most strict level)

Putty Part #*	Black Part #*	Racking Height	Useable Depth	Weight Capacity
WRP-4	WRS-4	7" (4 space)	23"	150 lbs.
WRP-6	WRS-6	10-1/2" (6 space)	23"	150 lbs.
WRP-8	WRS-8	14" (8 space)	23"	150 lbs.

*Putty version has plexi cover, black version has solid cover.

Vertical Equipment Wall Mounts

EIA/TIA Compliant

VPM-4

Vertical Equipment Mount

Versatile solution for wall mount racking where a protective enclosure is not required.

- Can accommodate all depths of equipment
- Mounts horizontally or vertically allowing versatile component placement – under desktops, for example
- Heavy duty threaded rack rail, available in 2, 3 or 4 rackspace models
- Use two to provide 4-point mounting
- Includes hole for safety screw (for under desk mounting)

Part #	Description
VPM-2	2 space, vertical equipment mount
VPM-3	3 space, vertical equipment mount
VPM-4	4 space, vertical equipment mount
